Check out a book. Then respond to the 2020 Census.

For the first time, you will be invited to respond to the census online. Libraries offer public computers and free internet access to help make sure you're counted. 2020 Census data informs the distribution of more than \$675 billion in federal funding each year, your representation in Congress, community initiatives, and more. Make sure you count everyone living in your home, including newborn babies and young children, on the 2020 Census. Your responses are confidential and important.
