Thanks
TO ALL OUR KIND SUPPORTERS

The Summer Reading Program came to a close in August. We wouldn't be able to do what we do for providing incentives and prizes without donations provided by local businesses. We, as well as the participants in the program, appreciate their kindness. The following organizations provided contributions for the Summer Reading Program this year – Great River Energy, The Coteau Properties Company, Otter Tail Power Cooperative, Roughrider Electric Cooperative and Dairy Queen. Thank you!

Hazen Public Library recently had a display cabinet installed at our library which showcases local military history as well as Hazen and Mercer County history. A huge "Thank You" to the wonderful organizations and people that made donations towards this cabinet in order to make it become a reality – American Legion, American Legion Auxiliary, Union State Bank, West River Telecommunications, National Guard, Ron Crowley and Leilani Meyhoff. Stop by your local library to explore our local history.

CONGRATULATIONS!

Hazen Public Library is pleased to announce that Katelyn Heth of Hazen was randomly selected as a recipient of \$529 into a College SAVE account for her participation in the Summer Reading Program this year. The North Dakota State Library partnered with Bank of North Dakota to bring the College Save Summer Reading Champions Campaign to participants of the 2020 Library Program. Nearly 2000 youth from over 40 libraries in North Dakota participated in this year's summer reading campaign. Every student completing their library's goal for summer reading could redeem a certificate for a contribution of \$25.00 to a new College SAVE account or \$10 to an existing College Save account. In addition to Katelyn, there were 9 other recipients selected from random drawings who were awarded \$529 College SAVE contributions. Congratulations Katelyn!
